

INTERNSHIPS IN CHINA

You are invited to apply for internships as summer teaching assistants for the largest private provider of education in China. In this role, you will serve as tutor and mentor in English while interacting with students between the ages of 12 and 18 years of age in areas such as sports, music & drama.

To be considered for this role, you must be passionate, outgoing and fluent in English. You will work with a Chinese teacher to assist in leading a class of 15-20 students for 8 hours per day. Positions are available at 53 sites across China. Room and shared accommodations (2 people per room) and board (3 meals per day) are provided in addition to a monthly stipend of RMB 3500 (net). Internships range from 8 to 10 weeks.

You are required to have completed at least once semester of Mandarin Chinese before beginning your internship. Two telephone (or Skype) interviews will be conducted by the administrator of the organization as well as the leader of the local school for which you are being considered.
